Chas. A. Schaefer
Flower Shop, Inc. "The Gift that Touches the Heart"

Chas. A. Schaefer Flower Shop is proud to announce our Community Outreach Program. Our Outreach program was developed after receiving hundreds of requests for financial support from very worthy non-profit groups in our community. We want to support these groups while making sure that our support is evenly distributed among those of you who have been kind enough to support Schaefer Flowers.

Therefore, our Outreach program raises funds for your organization based upon the amount of orders placed by members and supporters of your organization. Here's how it works.

1. Register your organization as an Outreach participant. We will assign an Outreach referral code to your group, and give you an ample supply of Schaefer Flowers brochures.
2. Tell everyone you know to order from Schaefer Flowers when they need to send a gift. Make sure they mention your Outreach referral code at the time the order is placed.
3. Quarterly, we will calculate the total number of orders placed by supporters of your group. Your non-profit group will earn four dollars for every order over $35.00 (excluding tax and delivery).

To start raising funds now, print this form, complete the registration form and fax it to 717.845.1574. Some restrictions apply; see the registration form for more details or call 717-845-1571 or 800-231-3329.

_____

What does your organization do? _____

_____

_____

Email Addr: _____Size of Org.: _____

Schaefer Flowers may accept or reject any Outreach participant for any reason at any time. Outreach participants are required to inform members that the Outreach referral code must be given at the time the order is placed. Past orders or unmarked referrals do not qualify. Each organization is responsible for notifying their supporters and advertising this program. Schaefer Flowers bears no responsibility for such promotions. Bounced checks, credit card chargebacks, and past due house account purchases may be deducted from the Outreach proceeds for that organization. Certain special order purchases, party rentals, and decoration services may be excluded. Orders with merchandise totaling $35.00 or more will qualify for the four dollar rebate. Sales tax, delivery, & service charges are not merchandise and do not count toward the $35.00 minimum purchase. All wire service orders are excluded. Outreach proceeds will be calculated quarterly and rebate checks will be mailed to the organization's headquarters within 30 days. All checks will be made only to the official registered name of the non-profit organization. The organization may withdraw from this program with 15 days written notice.
